Subject: PAYMENT OF BED TAX

Dear Sir/Madam,

Please refer to the Ministry's circular under the reference number 88-LS/CIR/2013/38 dated 31 December 2013.

We would like to inform you that, even though the law on payment of bed tax under the section 35 of the Maldives Tourism Act 1992 (Law Number 2/99) is not applicable from the 1st day of January 2014, the Government with good faith decided to continue the law on the payment of bed tax and therefore has proposed to the People's Majilis to amend the required laws to that effect.

Therefore, we would very much appreciate your support with regard to this matter and humbly request to arrange necessary precautions for the payment of the bed tax once the law is amended by the People's Majilis.

We expect the law will be amended within a very short period of time.

Thank you

Yours faithfully,

Ahmed Adeen Abdul Gafoor
Minister
