Dear Sir/ Madam,

Greetings and best wishes from the Ministry of Tourism.

As part of harmonizing and providing the industry with up-to-date information on Maldives tourism, we are working on strengthening the statistics compilation mechanism of the Ministry. In this regard, we take this opportunity to remind all tourist accommodating facilities to be more vigilant in adhering to our "**Regulation on Collection of Data for the Compilation of Tourism Statistics**" (Regulation No. 2020/R-39). Under this regulation, there are mandatory reports which should be submitted to this Ministry regularly on a monthly basis. The reports are to be submitted by the 7th day of each month. The Regulation, with an unofficial translation can be downloaded from our website from the [link](#).

Furthermore, it is a requirement under the said regulation for all tourist establishments to register at the Ministry's online portal **TIMS (Tourist Information Management System)** as all reports has to be submitted online via the portal. Hence, if you are not registered at the portal, we advise you to register at this portal. Details on TIMS and its registration procedures can be accessed from our website at this [link](#).

To ensure the privacy and confidentiality of the data we receive from individual facilities, the data compiled in aggregate forms to generate valuable indicators of Maldives tourism industry. The reports are shared with the industry, daily, monthly, quarterly and annually via our website.

If you have any queries regarding this, please contact the Research and Statistics Section of this Ministry by phone at 3022235 / 3022250 or email to stat@tourism.gov.mv

Thanking you for your continued support and wishing you a happy and prosperous new year!
