Subject: School Exposure Trips 2023

Dear Sir / Madam,

Greetings from the Ministry of Tourism!

The Ministry would like to organize exposure trips throughout the year for the students studying in secondary schools as we have been doing on an annual basis.

The purpose of organizing these exposure trips to tourist resorts is to broaden the knowledge and educate the students beyond their academic syllabuses and further understand how the tourism industry works. Furthermore, these trips will help to create awareness among students with regard to career development and enhance diverse career perspectives within the tourism industry of Maldives.

Hence, we encourage all tourist resorts to assist us in mentoring our younger generation to be a part of the Maldives tourism product. All Interested Resorts can submit the **registration form** via the below link, before **31st January 2023**.
