MINISTRY OF TOURISM & ENVIRONMENT
REPUBLIC OF MALDIVES

C I R C U L A R

Reference Number: 88-ES/CIR/2025/20
Date: 20 March 2025
To: All tourist facilities
Subject: **Earth Hour 2025 celebration**

Dear Sir/Madam,

To celebrate Earth Hour, people around the world come together to support efforts to address climate change and the loss of bio diversity and nature. It is a powerful global movement giving attention to protecting the environment. As in previous years, Maldives will also be joining in this movement and participation is being organized and coordinated all across the nation.

On Saturday, 22 March 2025, let us unite by switching off non-essential lights, demonstrating our commitment to environmental sustainability. Earth Hour activities are entirely voluntary, but we hope to see high support in participation and would like to request all facilities to join the global movement and participate in Earth Hour 2025. Please note, during this month of Ramazan this symbolic sixty-minute lights-out activity which Maldives will be celebrating will be from 9:45 PM to 10:45 PM.

Thanking you for your support and cooperation.

Yours sincerely

Aishath Ali
Director General
