Circular No: 88-QARS/CIR/2021/27
Date: 17th March 2021
To: All Tourist Facilities
Subject: **Tourist VISA Extension**

Dear Sir/Madam,

The Ministry wishes to remind all tourist facilities that tourists are issued with an entry visa to Maldives, valid for 30 days upon arrival. However, those who wish to extend the visa up to a maximum of 90 days from the date of arrival are required to apply to Maldives Immigration before the expiry of the initial visa. Failure to adhere to these requirements will incur a penalty under the Immigration Act and relevant regulations.

Hence, we take this opportunity to request you to inform and assist any guest who may need visa extension.

For any assistance, please call Maldives Immigration Tourist Visa Hotline: **9199157** and to complete the online application process please find the IMUGA link below.
